

*SpaScreen*

**Coverlift Compatibility Guide:**

**CoverMate Easy and Cover Butler:** Cover lift may need to be widened so that it clears SpaScreen brackets when opening and closing.

**Receiver Bracket**

**Anchor Bracket**

## SpaScreen Coverlift Compatibility Guide:

**CoverMate 3:** Receiver Bracket can be mounted below CoverMate 3 bracket mounted on side of spa (see photos below) or on corner of spa behind bracket (see photos) so that the extension pole does not interfere with spa cover when inserted into receiver bracket.

**Option 1:** Receiver Bracket mounted below CoverMate 3 bracket.

**Option 2: Receiver Bracket mounted behind and below CoverMate 3 bracket.**

**SpaScreen Coverlift Compatibility Guide:**

**CoverMate 1:** Receiver bracket should be mounted behind and below bracket per photos below.
